Line-Ups

Pool Play- Pool games are exposure games and wins and losses do not affect seeding. You may bat the entire roster and freely substitute on "offense or defense" and make changes in order to give your athletes maximum exposure.

Bracket Play- Bracket play you may still bat the roster if you choose but NO free substitution on "offense" as described in pool play games. If batting the rosters you may sub freely on defense but not on offense.

If a team decides to bat the entire line-up and an injury occurs to a player and that player is unable to continue, that players spot in the batting line-up will be recorded as an out. Courtesy runners are allowed for pitcher/catcher only! The runner must be a player not currently in the batting line-up. If batting the roster the player who made the most recent out must be the runner. If both catcher and pitcher reach base in the same inning and a 2nd courtesy runner is needed, the out before the most recent should be used. The same player shall not be the courtesy runner in the same inning.

Mercy Rule

12 runs after 3 innings – **10** runs after **4** innings- **8** runs after 5 innings. Run rule will apply to both pool play and bracket play. All pitching distance is 43ft.

Warm-Ups Before Games & Innings

All teams will be allowed to warm up behind temporary fencing before their schedule game. We have additional warm up areas on off-site locations as well. First inning each team will be allowed 3 warm-up pitches and 1 throw down by catcher. Infield & outfield warm up in first inning only. We are looking to keep games on time and play as many innings as possible. No stall tactics will be tolerated! Play will resume quickly allowing teams the opportunity to play 7 innings.

Time Limit for Pool Play

All pool games will **one hour twenty minutes** drop dead! Games **DO NOT** revert to previous inning. Pool games are exposure games and wins and losses do not affect your bracket seeding. No tiebreaker for pool games. Game will end in a tie!

Time Limit for Bracket Play

No new inning may start after **one hour thirty minutes** even if teams have not reached the 5th inning. Finish the inning if time expires and the inning already has started. All tied games after time limit or 7 innings has expired will use international tie breaker.

Tournament Advancement

Each age division will be broken into pools of 5 teams. Each team will play 4 pool games before being blind drawn into a **Single Elimination Championship Bracket**. Winners play until we have a champion in each age division! Tournament game scores will be kept on Tourney Machine ONLY! Please refrain from coming up to the main tent. We will update Tourney Machine ASAP. It is your responsibility to check Tourney Machine to know your correct times and fields. Especially critical during bracket play advancement.

IN CASE OF RAIN

Tournament Director may have to adjust schedule! This procedure will not be debatable. Tourney Machine will aid us if rain becomes a concern. Our main purpose is to give you an extremely competitive and enjoyable tournament. Your team and players will come first in all our decision process and we will do everything we can to get all games in. Although, Pool Play does not affect Bracket play seeding substantial rain may affect how many teams are allowed in bracket and we may take the top in each pools to finish the tournament. We want to thank all teams participating and we look forward to meeting all of you.
